

New Source Review newspaper advertisements for construction permit applications, March 31, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: March 28, 2016, March 30, 2016, or March 31, 2016. Public notices are generally published every two weeks. The previous publication of public notices was March 17, 2016.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Aisin Automotive Casting Tennessee, Inc. with a mailing address of 221 Frank L. Diggs Drive, Clinton, TN 37716. They seek to obtain an air contaminant permit for construction/modification of an existing air contaminant source to incorporate the HF and HCL emissions due to the type of flux being used at the same address, as follows: Natural gas fired reverb aluminum melting furnace; MF-1 (Division identification number: 01-0185-01/971451). This existing source is currently permitted under Operating Permit 058107P and consists of one 13.0MMBtu/hr. melting furnace that vents through a baghouse. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. Vergil Murrell, III is the assigned Division person.

For the Anderson County "Oak Ridger"-- publish once on Thursday, March 31, 2016.

---

The applicant is APAC Atlantic DBA Harrison Construction Company with a mailing address of 4817 Rutledge Pike, Knoxville, TN 37914. They seek to obtain air contaminant permits for construction of a Concrete Batch Plant with Emergency Generator at Y-12 National Security Complex, as follows: (1) Concrete Batch Plant (Division identification number: 01-0279-01/971380P). The proposed operation would consist of seven silos, two mixers, stockpile area, weigh hoppers, and associated equipment. Fabric filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. (2) Emergency Generator (Division identification number: 01-0279-02/971388P). This proposed operation would consist of a diesel fueled engine generator and associated equipment. Because of the amount and type of emissions, pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Chelsea Meadows is the assigned Division person.

For the Anderson County "Oak Ridger"--publish once on Thursday, March 31, 2016.

---

The applicant is Hommel Concrete Company with a mailing address of P.O. Box 762, Newport, TN 37822. They seek to obtain a construction permit (Division identification number: 15-0071-02/971176P) for construction of a portable asphalt plant located at 1164 Rains Road, Newport, TN 37821. A baghouse would be used as pollution control equipment. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Cocke County "The Newport Plain Talk"-- publish once on Thursday, March 31, 2016.

---

The applicant is D&T Sawmill LLC with a mailing address of PO Box 777, Grand Junction, TN 38039. They seek to obtain an air contaminant permit (Division identification number: 24-0112-01/970149P) for a 360 horsepower 66 inch Precision Husky Chipper located at PO Box 777, Grand Junction, TN 38039. Regulated air contaminants would be emitted by this source. Mr. J. Swinea is the assigned Division person.

For the Fayette County "The Fayette Falcon"-- publish once on Wednesday, March 30, 2016.

---

The applicant is CrownTonka Walk Ins with a mailing address of 140 T. Elmer Cox Drive, Greeneville, TN 37743. They seek to obtain an air contaminant permit (Division identification number: 30-0168-03/971402P) for modification of a wood working operation located at 140 T. Elmer Cox Drive, Greeneville, TN 37743. This existing operation consists of a saw and associated equipment used to cut lumbers. The requested modification is due to the increase in production and more lumber being processed. A cyclone is used as pollution control equipment. There would not be physical construction. Regulated air contaminants are emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Greene County "Greeneville Sun"-- publish once on Thursday, March 31, 2016.

---

The applicant is Bachman-Bernard Chevrolet-Buick-GMC-Cadillac, Inc. with a mailing address of 3365 E Andrew Johnson Hwy, Greeneville, TN 37745. They seek to obtain a construction permit (Division identification number: 30-0273-01/71273 for construction of a surface coating operation located at 3365 E Andrew Johnson Hwy, Greeneville, TN 37745. This proposed operation would consist of an automotive paint refinishing downdraft spray booth. Exhaust filters would be used for pollution control. There would not be physical construction. Regulated air contaminants would be emitted by this source. Mr. B. Hall is the assigned Division person.

For the Greene County "Greeneville Sun"-- publish once on Monday, March 28, 2016.

---

The applicant is Redmon Asphalt Inc. with a mailing address of 1966 Lawton Road, Selmer, TN 38375. They seek to obtain air contaminant permit(s) for an asphalt plant operation and associated equipment at the following location: 55-0064-02/971245P for 1966 Lawton Road, Selmer, Tennessee 38375. The requested operation is for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the McNairy County "Independent-Appeal"-- publish once on Wednesday, March 30, 2016.

---

The applicant is Madison County Development, LLC. with a mailing address of 414 Jintown Road, Mayfield, KY 42066. They seek to obtain an air contaminant permit (Division identification number: 57-0259-02/971420P) for construction of a Landfill Gas Flare located at 550 Aaron Long Road, Jackson, TN 38301. This proposed operation consists of one (1) flare utilized to control landfill gas. This site is not currently required to install and operate a landfill gas collection and control system. In an effort to provide for effective environmental controls at the site, the applicant has voluntarily proposed to install a landfill gas collection and control system. Regulated contaminants would be emitted by this source. Mr. C. Meek is the assigned Division person.

For the Madison County "Jackson Sun"-- publish once on Thursday, March 31, 2016.

---

The applicant is Bodine Aluminum, Inc. with a mailing address of 301 James Lawrence Road, Jackson, TN 38301. They seek to obtain an air contaminant permit (Division identification number: 57-0284-04 /71467) for adding a new high pressure die casting machine including a finishing cell to their already permitted process of casting and manufacturing of various engine components including engine blocks for Toyota operations worldwide at 301 James Lawrence Road, Jackson, TN 38301. Because of the amount and nature of the pollutants no control device is proposed. There would physical construction and regulated air contaminants would be emitted by this source. Mr. M. Ahmed is the assigned Division person.

For the Madison County "Jackson Sun-Daily"-- publish once on Thursday, March 31, 2016.

---

The applicant is James Ritter Lumber with a mailing address of P. O. Box 67 Byrdstown, TN 38549. They seek to obtain an air contaminant permit (Division identification number: 69-0025-01/62489) for a Wood working Operation located at 9930 Highway 111 N, Byrdstown, TN 38549. This existing operation consists of two separately-housed circle sawmills, one with a chipper with a cyclone control and one with a chipper without control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. M. Baghernejad is the assigned Division person.

For the Pickett County "Pickett County Press"-- publish once on Thursday, March 31, 2016.

---

The applicant is Kroger Limited Partnership 1 With a mailing address of 2620 Elm Hill Pike, Nashville, TN 37214. They seek to obtain air contaminant permit(s) (Division identification number(s): 74-0190-01/971428G for addition of 10K diesel tank, two new dispensers (4 nozzles) on east end of canopy & diesel vent. The facility is located on 510 Highway 76 East, Whitehouse, TN 37188. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Robertson County "Robertson County Times"--publish once on Wednesday, March 30, 2016.

---

The applicant is MACS Retail, LLC With a mailing address of 3801 West Chester Pike c/o Sunoco Inc., Newtown Square, PA 19073. They seek to obtain air contaminant permit(s) (Division identification number(s): 75-0768-01/971410G for installation of a gasoline station with three 20,000 gallon gasoline/diesel underground storage tanks. The facility is located on 890 Nissan Drive, Smyrna, TN 37167 The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Rutherford County "Daily news Journal"-- publish once on Thursday, March 31, 2016.

---

The applicant is Tinsley Asphalt, LLC with a mailing address of P.O. Box 1955, Tullahoma, TN 37388. They seek to obtain air contaminant permit (Division identification number: 89-0162-03/971024P) for a 500 KW natural gas-fired emergency generator engine located at 390 Spencer Road, McMinnville, TN 37110. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Warren County "Southern Standard"-- publish once on Wednesday, March 30, 2016.

---

The applicant is North American Container Corporation with a mailing address of 191 Industrial Drive, Martin, TN 38327. They seek to obtain air contaminant permit (Division identification number: 92-0109-04/71319 for a burn pit operation and associated equipment at the following location 191 Industrial Drive, Martin, Tennessee 38327. The requested operation is for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the Weakley County "Weakley County Press"-- publish once on Thursday March 31, 2016.
